

# 3 Doors Down - She Don't Want The World

Tom: **Ab**

**Fm**  
The open wound she hides  
She just keeps it bundled up

**Eb**  
And never lets it show  
She can't take much more of this

**Db**  
But she can't let it go

**Fm**  
And that's ok, she don't want the world

**Fm**  
All the things she says  
While he's just lying there

**Eb**  
Without someone to hear her cry  
She slips off into a dream

**Db**  
About a place to hide

**Fm**  
And that's ok, she don't want the world

**Fm**  
This love she feels  
Everything she's ever known

**Eb**  
Or ever thought was real  
Seems like it's been thrown away

**Db**  
Now how's she gonna live

**Fm**  
It's ok, she don't want the world

**Fm**  
Those words he never spoke  
Haunt her life, the memories

**Eb**

Of all the times before  
She tried to show him love

**Db**  
While he would only ask for more

**Fm**  
But it's ok, she don't want the world

**Fm**  
Softly in her sleep  
Pictures of the life she's longing

**Eb**  
For slowly appear  
She's seen them all before

**Db**  
But somehow never quite this clear

**Fm**  
She just smiles, she don't want the world

**Fm**  
This love she feels  
Everything she's ever known

**Eb**  
Or ever thought was real  
Seems like it's been thrown away

**Db**  
Now how's she gonna live

**Fm**  
It's ok, she don't want the world

**Fm**  
A brand new morning shines  
As she wakes up alone again

**Eb**  
This time to face the day  
She swears there's time to make it

**Db**  
As she simply walks away

**Fm**  
And it's ok, she don't want the world
