

3 Doors Down - Smack

Tom: F

A canção é muito simples e é feita em cima de power chords, então não achei necessário colocá-la em tablatura... Apenas cifiquei a letra com os power chords que são usados. Ouça a música e pegue o ritmo, não é assim tão difícil... O ritmo é bastante sincopado e utiliza muito palm muting, mas é só... Boa sorte!!!

Intro: (B E G A) (B D A Gb F)

B D A Gb F
Rubber headed motor junky, run me down and try to stomp me
B D A Gb F
Throw my life away, and I'll be worthless just like you
B D A Gb F
Somewhere now a baby's crying, down the road his mother's dying
B D A Gb F
Shot a line and blew her mind and now she's turning blue

Refrão:

B E G A
Don't you throw your life away, just wait until another day
B E G A
Don't you throw your life away, cause baby I can feel it
B E G A
Don't you ever compromise it, don't you even realize it
B E G A (B
D A Gb F)
Don't you throw your life away, cause baby I can feel it,
now

B D A Gb F
Trip and fall, I'm sure you all can tell me what is on the wall
B D A Gb F

Behind the liquor store where you get smacked up all the time

B D A Gb F
Perfect little life you wasted, overdosed and that death you tasted

B D A Gb F
Scared you back into yourself, and now you walk the line

Refrão:

B E G A
Don't you throw your life away, just wait until another day

B E G A
Don't you throw your life away, cause baby I can feel it

B E G A
Don't you ever compromise it, don't you even realize it

B E G A
(Riff A)
Don't you throw your life away, cause baby I can feel it,
now

Riff A:

/ = slide

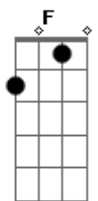

(B D A Gb F)
Life away, life away, life away

Termine com B
