## 3 Doors Down - The Real Life

Tom: D I found myself silenced by those things they say Intro: Chorus: Primeiro Verso: (Versão segunda Guitarra) But I woke up to the real life and I realized Primeiro Verso: (Versão Acústica) running from anymore when there was It's not worth nowhere left to Bm I wanted to find somewhere to hide Bm Α G that nothing is real.. but I won't and I opened up and let those fears inside hide I found out G stop now until I find a better part of me Bm Α and I wanted to be anyone else Bridge: Bm Α G only to find that there was no one there but me Chorus: That's out there somewhere and It cant be that far away that's where I'll find myself and I'll find my way out that's where I'll find out. But I woke up to the real life and I realized It's not worth running from anymore when there was nowhere left to where I'll find out..(Ohhh...) Break down hide I found out that nothing is real.. but I won't stop now until I find a better part of me Chorus: Pré-Verso: But I woke up to the real life and I realized Segunda Parte: when there was G It's not worth running from anymore Bm nowhere left to I let those hard days get me down Bm G and all the things I hate got in my way hide I found out that nothing is real.. but I won't Bm Α G I could've screamed without a sound stop now until I find a better part of me Rm Α G

Final (Intro)
