

3 Doors Down - Ticket To Heaven

Tom: G

I'm walking a wire, it feel likes a thousand ways I could fall
 To want is to buy, but to live is to die and you can't take it all
 And everything is said and done I won't have one thing left
 What happened to everything that I ever known
 All he gave me was this ticket to heaven, that ticket to heaven, said to lie in the bed that
 you make, now I'm restless and I'm running from everything, I'm running from everything, I'm
 afraid it's a little too late

It's a voices lie, innocents die now ain't that a shame
 and all your dreams, and all your money they don't mean a thing
 When everything is said and done, you won't have one thing left
 What happened to everything that I ever known
 All he gave me was this ticket to heaven, that ticket to heaven, said to lie in the bed that
 you make, now I'm restless and I'm running from everything, I'm running from everything, I'm
 afraid it's a little too late
