

# 3 Doors Down - Ticket To Heaven

Tom: G

I'm walking a wire, it feel likes a thousand ways I could fall  
 To want is to buy, but to live is to die and you can't take it all  
 And everything is said and done I won't have one thing left  
 What happened to everything that I ever known  
 All he gave me was this ticket to heaven, that ticket to heaven, said to lie in the bed that  
 you make, now I'm restless and I'm running from everything, I'm running from everything, I'm  
 afraid it's a little too late

It's a voices lie, innocents die now ain't that a shame  
 and all your dreams, and all your money they don't mean a thing  
 When everything is said and done, you won't have one thing left  
 What happened to everything that I ever known  
 All he gave me was this ticket to heaven, that ticket to heaven, said to lie in the bed that  
 you make, now I'm restless and I'm running from everything, I'm running from everything, I'm  
 afraid it's a little too late
