

30 Seconds To Mars - Dangerous Night

Tom: D

We burned and we bled, we try to forget
 But the memories left are still haunting
 The walls that we built from bottles and pills
 We swallow until we're not talking
 (I, I, I, I, I) I, I am a man on fire
 You, a violent desire

What a dangerous night to fall in lo-o-o-o-o-ove
 (oh-oh, oh-oh)

N.C.
 Don't know why we still hide what we've be--co-o-o-o-o-ome
 (oh-oh, oh-oh)

Do you wanna cross the line?

We're runnin' out of time

A dangerous night to fall in lo-o-o-o-o-ove

Started a stranger, a lover in danger
 The edge of a knife

The face of an angel, the heart of a ghost

Was it a dream?

I, I am a man on fire

You, a violent desire

You, a violent desire

What a dangerous night to fall in lo-o-o-o-o-ove
 (oh-oh, oh-oh)
