

# 30 Seconds To Mars - Night Of The Hunter

Tom: F

(Intro)

Riff (D D D Bb7 C D )

Riff da Introdução (2X)

I was born of the womb of a poisonous man

Beaten and broken and chased from the land

But I rise up above it, high up above it and see

I was hung from the tree made of tongues of the weak

The branches, the bones of liars and thieves

Rise up above it, high up above and see

Pré-Refrão

Pray to your god, open your heart

Whatever you do don't be afraid of the dark

Cover your eyes, the devil's inside

Refrão:

One night of the hunter

One day I will get revenge

One night to remember

One day it'll all just end, oh

Riff da Introdução (2x)

Blessed by a bitch from a bastard seed

Pleasure to meet you but better to bleed

Rise, I Will rise, I Will rise

Skinned her alive, ripped her apart

Scattered her ashes, buried her heart

Rise up above it, high up above and see

Pray to your god, open your heart

Whatever you do don't be afraid of the dark

Cover your eyes, the devil's inside

( Dm F G A ) (2x)

vocalize: Oh Oooh Oh Oh!

Ponte / Outro: Bb C F Bb (2x)

Honest to God I'll break your heart

Tear you to pieces and rip you apart

Honest to God I'll break your heart

Tear you to pieces and rip you apart

Honest to God I'll break your heart

Tear you to pieces and rip you apart

Honest to God I'll break your heart

Tear you to pieces and rip you apart
