

311 - Amber

tom:

Intro: C Am Em C

Brainstorm, take me away from the norm
 I got to tell you something
 This phenomenon, I had to put it in a song
 And it goes like

Whoa, amber is the color of your energy
 Whoa, shades of gold displayed naturally

You ought to know what brings me here
 You glide through my head blind to fear
 And I know why

(Riff 1)

Whoa, amber is the color of your energy
 Whoa, shades of gold displayed naturally

(F G F G C)

[Solo]

Whoa, amber is the color of your energy
 Whoa, shades of gold displayed naturally
 (C Am Em)

You live too far away
 Your voice rings like a bell anyway
 Don't give up your independence
 Unless it feels so right
 Nothing good comes easily
 Sometimes you gotta fight

(Riff 1)

Whoa, amber is the color of your energy
 Whoa, shades of gold displayed naturally

Launched a thousand ships in my heart
 So easy, still it's fine from afar
 And you know that

Whoa, brainstorm take me away from the norm
 Whoa, I got to tell you something
