

# 33 Miles - No Greater Love

Tom: **B**  
 Intro: **B Gb Abm E**

**B Gb**  
 On a hill There was a cross

**Abm E**  
 And all was lost In need of a savior

**B Gb**  
 There you were Arms stretched wide

**Abm E**  
 Crucified No love could be greater

**Dbm E**  
 Than when you laid down your life

**B**  
 Who am I that you would come and die

I don't understand

**Gb**  
 Why the God of all the universe

Would become a man

**Abm**  
 To redeem the mess that I have made

**Gb E**  
 And take away the shame of what I've done

**B**  
 There is no, no greater love

**B Gb**

Every sin that held me down  
 Is lifted now **Abm E** Because of your mercy

Here I stand **B Gb** Forgiven and free

Grace covers me **Abm E** Though I'm so unworthy

But you laid down your life **Dbm E**

**B**  
 Who am I that you would come and die

I don't understand

**Gb**  
 Why the God of all the universe

Would become a man

**Abm**  
 To redeem the mess that I have made

**Gb E**  
 And take away the shame of what I've done

**Gb E**  
 There is no, no greater love

**B**  
 What love that you would give

**Gb Dbm**  
 Your life that I might live
