

SOLOMON - Burn Out

tom:

Intro: Eb Cm Bb

[Primeira Parte]

Both left with scars but
 You know that I never meant any harm
 Grateful I found you
 But we've wound up windin' ourselves up in arms

[Pré-Refrão]

I've put the work in
 Tired myself out tryin' to fix
 What we broke
 But I'm still hurtin'
 Don't have much else left to give
 So don't you go

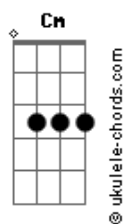

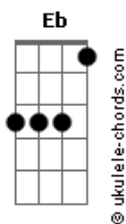

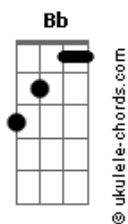

[Refrão]

Let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out

[Segunda Parte]

Don't expect you to believe me
 But I love you more than you know

Acordes

Words were much louder than all my actions
 And both failed to show

[Pré-Refrão]

I've put the work in
 Tired myself out tryin' to fix
 What we broke
 But I'm still hurtin'
 Don't have much else left to give
 So don't you go

[Refrão]

Let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out

[Final]

Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out
 Don't let me just burn out
