

3T - Why

tom:
Capostrate na 2ª casa

[Refrão]

Why does Monday come before Tuesday
 Why do summers start in June
 Why do winters come too soon
 Why do people fall in love
 When they're always breaking up, oh why
 Why do I love you, tell me why

It's not like I can explain what's in my heart
 It's just I feel a crazy pain with we're apart
 I don't want to breathe
 I don't want to think
 I don't want to love
 I don't want to do anything

It's not like I can't describe what's going on
 It's just I feel I'm not alive when your not home
 I don't want to sleep
 I don't want to be
 I just want you here beside me
 Without you there's no me

[Refrão]

Why does Monday come before Tuesday
 Why do summers start in June
 Why do winters come too soon
 Why do people fall in love
 When they're always breaking up, oh why
 Why do we love if love will die

Why does Wednesday come after Tuesday
 Why do flowers come in May

Why does springtime go away
 Why do people fall in love
 When they're always breaking up, oh why
 Why do I love you tell me why
 It's not like I can escape, what's in my soul
 Cause without you inside my heart
 Where can I go
 I don't wanna see, girl you without me
 I can't go through life without you
 Without you there's no me

Why does Monday come before Tuesday
 Why do summers start in June
 Why do winters come too soon
 Why do people fall in love
 When they're always breaking up, oh why
 Why do we love if love will die

Why do the rivers flow to the sea
 In every flow I get your love over me, babe
 Why does my heart feel so missed
 To be in love, to fall in love
 Why don't I feel complete
