(intro) G D Em D C C C C

Em D G D
What a wonderful hesitation

Em D C D
who would bear to feel sorry for me

Em D G D
dropped another pill just to calm me

Em D C C C
collapsed to my knees and fell fast into sleep

There I was drifting
G Am C G
way out into the sunshine

Am C G
expecting to crash but I'm tied to a string

Am C G
Look at me I'm a tangled puppet

Em D G D E
I might be a mess but I sure can survive

Em D C D
find myself awake counting sad days

Em D G D
1-2-3 that's too many for me

Em D G D
dropped another pill just to find me

Em D C C
reached for my hand

but it was already there

then I started believin'
G Am C G
that I fell out of a tiny raindrop

Am C G
that lost it's way when it decided to roam

Am C G
chasing me was a hungry dweller

Am C G
but I had escaped it by pretending to die

C C C
Come follow me you won't expect the illusion

G D Em
you'll see, it's my imagination

C C C
hand me your eyes

C
I will put them in front of mine

G
You'll see a little better

You'll see a little better
