

4 Non Blondes - Morphine & Chocolate

Tom: **Ab**
Intro: **Ab**

Ab
Substitute my gloom with happiness
Db
Substitute my sickness with health
Ab
Substitute my enemies with real good friends
Gb
Morphine and chocolate are my substitutes
Ab
Are my substitutes

Ab
Morphine and chocolate can bring me up
Db
Can warm my heart for me whenever I want it
Ab
And every once in a while when I stop and think
Gb
Morphine and chocolate are my substitutes
Ab
Are my substitutes

Ab
And you can say
Db **Ab**
Hey, we've really come a long way
Ab
And you can say
Db **Ab**
Hey, it can only be this way

Gb
You might be careful
Ab **Db**
It really hurts when it's real
Gb
You might be careful
Ab **Db**
It really hurts when it's real
Gb
You might be careful
Ab **Db**
It really hurts when it's real
Gb **Ab**
You'll go down, down, down

Set the alarm clock, baby
Don't you miss the sun?

Db
You know, I'm feeling really warm hearted baby

Don't you know I'm feeling like someone
Ab
I'm fearing for my life again

And I am fearing for my heart
Gb
Morphine and chocolate could never
Ab
Substitute my art

And that's real love baby

Acordes
