The rest of the song continues like that. When there's a

guitar solo, the chords are the same. You just have to keep the rhythm.

Here're the rest of the lyrics:

Hush hush you walk on by  
 you don't say a word  
 talk to me baby, talk to me baby  
 what haven't I heard  
 And I know that's why I call you blue  
 'cause I figure something baby  
 that's why I call you pleasantly blue  
 Oh no, here we go  
 what's wrong with you  
 come here baby, come to me baby  
 what can I do  
 Yea I know that's why I call you blue  
 'cause I figure something baby  
 that's why I call you pleasantly blue  
 'cause I figure something baby  
 that's why I call you pleasantly blue
