The rest of the song continues like that. When there's a

guitar solo, the chords are the same. You just have to keep the rhythm.

Here're the rest of the lyrics:

Hush hush you walk on by
 you don't say a word
 talk to me baby, talk to me baby
 what haven't I heard
 And I know that's why I call you blue
 'cause I figure something baby
 that's why I call you pleasantly blue
 Oh no, here we go
 what's wrong with you
 come here baby, come to me baby
 what can I do
 Yea I know that's why I call you blue
 'cause I figure something baby
 that's why I call you pleasantly blue
 'cause I figure something baby
 that's why I call you pleasantly blue
