

# 5 à Seco - Em Paz

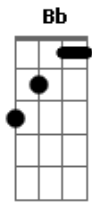

Tom: Bb

**Bb7**                    **Eb**                    **Bb7**  
 Caiu do céu, se revelou  
                                  **Em7-**                    **Eb**  
 Anjo da noite e das manhãs  
                                  **F7**                    **Em7-**  
 Pra amanhecer em paz, em paz  
                                  **Eb**                    **Bb7**  
 E quanto mais, melhor você  
  
**Bb7**                    **Eb**                    **Bb7**  
 Sol de verão que faz chover  
                                  **Em7-**                    **Eb**

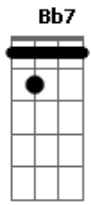

Som da maré, é luz e cor  
                                  **F7**                    **Em7-**  
 Pro bom da vida acontecer  
                                  **Eb**                    **Bb7**  
 Onda que invade é o amor

Refrão:  
**Bb7**    **Eb**                    **Bb7**  
 Queria ser navegador  
                                  **A**    **Em7-**    **Gm7**  
 Nesse seu mundo estelar  
                                  **Em7-**                    **Ebm**  
 Lua que amansa o meu desejo  
                                  **F7**    **F**    (**Bb7**    **Eb** )  
 Estrela azul me leva
