

5 à Seco - Vem Ver

Bm

tom:

[Primeira Parte]

Pirata, capitão
De barco a vela
Um porto, uma paixão
Num pôr-do-sol

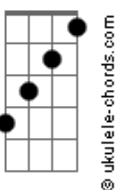

Na pedra um coração
E o nome dela
Vem na arrebenção
Luz de farol

[Refrão]

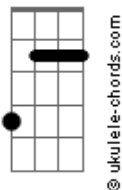

Vem ver
Lua de maré
Estrela, cair

[Terceira Parte]

Sereia, assombrção
E lá vem ela
Relampo de trovão é temporal

E o nome dela
Acende a escuridão
É tão real
