tom:

Intro: F G Am G

F G Am  
I miss the days when we were young and not too wise  
G F  
Only doin' what felt right  
G Am G  
With open hearts and open eyes  
F G Am  
I miss the days before I second guessed my life  
G F  
Wasn't always asking why  
G Am G  
I remember what it's like

F  
Maybe it's just too late for the old me  
G Am  
Maybe there's no point in holding on to something closely  
G F  
I should let it go, I should let it fade  
G Am G  
Cause nothing lasts forever and nothing stays the same

F  
Why do we complicate it?  
G Am  
Why do we get so jaded?  
G F G Am  
Can we just go back, go back to 2011?

(Can we go back?)  
G F  
Why do we ruin our dreams?  
G Am  
Why do we sabotage things?  
G F G Am  
Can we just go back, go back to 2011?  
G F G Am G  
(Can we go back) To 2011?

F G Am  
I miss the days when we could live outside our heads  
G F  
Before we were our nervous wrecks  
G Am  
That's the thing about regret  
G F  
We used to talk about our lives  
G Am  
And all the things we didn't have  
G F  
We fantasized about the future  
G Am G

But now we dream about the past
