

5 Seconds Of Summer - Bad Omens

tom:
 Capotraste na 1ª casa
 Intro: C

[Primeira Parte]

So this is where I am
 Hanging on a feeling
 Driving through the valley just to chase the pain again
 So this is where we are
 I should've seen it coming
 Every time you say, "Goodbye," I say, "Hello" again

[Refrão]

I cried in your dark, brown eyes for the thousandth time
 'Cause you love somebody
 I died when you left that night for the thousandth time
 'Cause you love somebody
 Else I tried to stop the door as it was closing, it was closing
 Can't help the way I keep ignoring every omen, every omen
 Heavens knows I should let go
 It's nothing that I don't already know

[Segunda Parte]

I kiss you on your neck (Oh-na-na)
 You were staring at the ceiling (Oh-na-na)
 I should've known right then and there you were a runaway (Oh-na-na)
 Oh, just make it go away (Oh-na-na)

Can you help me rearrange it? (Oh-na-na)
 I'm still making sense of having nothing left to say (Oh-na-na)

[Refrão]

I cried in your dark, brown eyes for the thousandth time
 'Cause you love somebody
 I died when you left that night for the thousandth time
 'Cause you love somebody
 Else I tried to stop the door as it was closing, it was closing
 Can't help the way I keep ignoring every omen, every omen
 Heavens knows I should let go
 It's nothing that I don't already know
 (F G Am C)

[Ponte]

We go around again, we jump back in bed
 That's what you do when you love somebody
 These bad omens, I look right through them
 That's what you do when you love somebody
 We go around again, we jump back in bed
 That's what you do when you love somebody
 These bad omens, I look right through them
 That's what you do when you love somebody

[Final]

Else (When you love somebody)
