

5 Seconds Of Summer - Bleach

tom:
 Capotraste na 1ª casa
 Intro: C F Am G

[Primeira Parte]

I wanna occupy your brain
 Be the only living space in your head
 And when you're filling up your lungs
 Mine's the only name that's under your breath

[Pré-Refrão]

Brought a knife to a gunfight
 But the hurting is all mine
 When the feeling is airtight
 Know it takes time to let go
 But I can't take it no more
 Can I make up for lost time?

[Refrão]

If there's bleach in the hallways, I can start over
 Bleaching my hair, just to get away
 I'm washing it out till I figured out
 Living without you
 (Everything I want, spilling down the drain)
 If there's bleach in the hallways, I can start over
 Bleaching my hair every Saturday
 I'm washing it out 'till I figured out
 Living without you
 (Everything I was spinning down the drain)
 (F Am G)

[Segunda Parte]

I feel you underneath my tongue
 Next to every word that I should have said
 No matter how far that I run
 Memories always seem to catch up again

[Pré-Refrão]

Brought a knife to a gunfight
 But the hurting is all mine
 When the feeling is airtight
 Know it takes time to let go
 But I can't take it no more
 Can I make up for lost time?

[Refrão Final]

If there's bleach in the hallways, I can start over
 Bleaching my hair, just to get away
 I'm washing it out till I figured out
 Living without you
 (Everything I want, spilling down the drain)
 If there's bleach in the hallways, I can start over
 Bleaching my hair every Saturday
 I'm washing it out 'till I figured out
 Living without you
 (Everything I was spinning down the drain)
 It's so hard to watch everything I want
 (Everything I was spinning down the drain)
 It's so hard to watch everything I want
 (Everything I was spinning down the drain)
