Intro: tab:

[1st Verse Tab] - pode ser tocado na musica toda, se quiser

They would yell, they would scream, they were fighting it out
 She would hope, she would pray, she was waiting it out
 Holding on to a dream, watch you watch as its walls fall down

Am
 Sharp words like knives, they were cutting her down
F
 Shattered glass like the past it's a memory now
G **F**
 Holding on to a dream, watch you watch as its walls fall down

C **G**
 Hey mum, hey dad, when did this end?

When did you lose your happiness?

I'm here alone inside of this broken home

C **G**
 Who's right, who's wrong, who really cares?

The fault, the blame, the pain's still there

I'm here alone inside of this broken home

This broken home

Am **F**
 Wrote it down on the walls, she was screaming it out

Made it clear, she's still here, are you listening out

Just a ghost in the halls feeling empty, they're vacant now

Am **F**
 All the battles, all the wars, all the time that you fought

G
 She's the scar, she's the bruises she's the pain that you brought

There was life, there was love like a light and it's fading out

C **G**
 Hey mum, hey dad, when did this end?

When did you lose your happiness? **Am**

I'm here alone inside of this broken home **F**

C **G**
 Who's right, who's wrong, who really cares?

The fault, the blame, the pain's still there **Am**

I'm here alone inside of this broken home **F**

This broken home **Am**

Am
 You've gotta let it go **F**

You're losing all your hope

C
 Nothing left to hold

G
 Locked out in the cold

Am
 You're painting memories **F**

Then wash out all the scenes

C
 I'm stuck in between

G
 A nightmare and lost dreams

C **G**
 Hey mum, hey dad, when did this end?

When did you lose your happiness? **Am**

I'm here alone inside of this broken home **F**

C **G**
