

5 Seconds Of Summer - Broken Pieces

Tom: C

^C
I woke up in the place we started
^{Am}
Your clothes on the floor in that old apartment
^C ^G ^{Am} ^F
I never thought you'd leave without a trace

^C ^G
Can't shake this sinking feeling
^{Am} ^F
And I know you're not there and I'm barely breathing
^C ^G ^{Am} ^F
Holding onto things I can't replace

^C ^G ^{Am} ^F
I'm looking for a way to change my mind, don't walk away

^C ^G
Oh! tell me what we're fighting for
^{Am}
Its turned into an all out war
^F ^C
I'll find a way to fix these broken pieces and let go
^G
I'm trying to find my way back home
^{Am}
If it takes until I'm skin and bones
^F ^C
I'll find a way to fix these broken pieces and let go

^C ^G
Our last words ringing in my head
^{Am} ^F
I wish we'd take back all the things we said
^C ^G ^{Am} ^F
I'm trying to find a way to yesterday

^C
Talking in circles
^G ^{Am} ^F
Chasing our tails and wondering why we created this wasteland
^C ^G ^{Am} ^F
I wish you wouldn't be so cavalier

^C ^G ^{Am} ^F
I'm looking for a way to change my mind, don't walk away

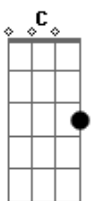

^C ^G
Oh! tell me what we're fighting for
^{Am}
Its turned into an all out war
^F ^C
I'll find a way to fix these broken pieces and let go
^G
I'm trying to find my way back home
^{Am}
If it takes until I'm skin and bones
^F ^C
I'll find a way to fix these broken pieces and let go
^F ^C
Fix these broken pieces and let go

^{Am} ^F ^C
We're fading out, we're all alone
^G ^{Am}
It's what you wanted, I suppose
^F ^C
I can tell you feel the same
^G ^{Am} ^F
When you say you're looking for a way to change your mind
^C
You walk away

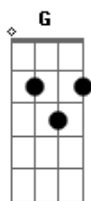

^C ^G
Oh, tell me what we're fighting for
^{Am}
Its turned into an all out war
^F
We'll find a way to fix these broken pieces

^C ^G
Oh! tell me what we're fighting for
^{Am}
Its turned into an all out war
^F ^C
I'll find a way to fix these broken pieces and let go
^G
I'm trying to find my way back home
^{Am}
If it takes until I'm skin and bones
^F ^C
I'll find a way to fix these broken pieces and let go
^F ^C
Fix these broken pieces and let go
