

5 Seconds Of Summer - Carry On

Tom: **E**

E
Carry on, let the good times roll
Sail along, let your path unfold

A
It won't be long, won't be long, won't be long

E
You know it's gonna get better, you know it's gonna get better
E
Say a prayer for the broken bones
Cause who cares? We're all going home

A
And it won't be long, won't be long, won't be long

E
You know it's gonna get better, you know it's gonna get better

E **B** **Dbm** **A**
I got one foot in the golden life, one foot in the gutter

E **B** **Dbm** **A**
So close to the other side, so far from the wonder
E **B** **Dbm** **A**
I got one foot in the golden life, one foot in the gutter
E **B** **Dbm** **A**
So sick of the tug of war, that keeps pulling me under

E **B** **Dbm** **A**
Let the good times roll
E **B** **Dbm** **A**
Let the good times roll

E
Carry on, outlast the ignorance
Moving on, survive the innocence
A
Won't be long, won't be long, won't be long
E
You know it's gonna get better
