

5 Seconds Of Summer - Carry On

Tom: E

Carry on, let the good times roll
Sail along, let your path unfold

It won't be long, won't be long, won't be long

You know it's gonna get better, you know it's gonna get better

Say a prayer for the broken bones
Cause who cares? We're all going home

And it won't be long, won't be long, won't be long

You know it's gonna get better, you know it's gonna get better

I got one foot in the golden life, one foot in the gutter

So close to the other side, so far from the wonder
I got one foot in the golden life, one foot in the gutter
So sick of the tug of war, that keeps pulling me under

Let the good times roll

Let the good times roll

Carry on, outlast the ignorance
Moving on, survive the innocence

Won't be long, won't be long, won't be long

You know it's gonna get better
