

5 Seconds Of Summer - Disconnected

Tom: D

D A G Em
Oh, oh, o-o-oh

D A
Life's a tangled web of cell phone calls

D
And you
A
You're so caught up
Em G
In all the blinking lights and dial tones

D
I admit I'm a bit of a victim
A
In the worldwide system too
Em
But I found my sweet escape
G
When I'm alone with you

D
Tune out the static sound
A
Of the city that never sleeps
Em
Here in the moment
G
On the dark side of the screen

D
I like the Summer rain
A
I like the sounds you make
Em
We put the world away
G
We get so disconnected
D
You are my getaway
A
You are my favorite place
Em
We put the world away
G
Yeah, we're so disconnected

D A
Oh, oh, o-o-oh
(We're so disconnected)
Em G
Oh, oh, o-o-oh

D A
Hands around my waist
Em
You're counting up the hills
G

Across the sheets

D A
And I'm a fallin star
Em
A glimmer lighting
G

Up these cotton streets

D
I admit I'm a bit of fool
A
For playing by the rules
Em
But I've found my sweet escape
G
When I'm alone with you

D

Of the city that never sleeps

Those late night tv shows

Hang up the telephone
G
And just be here with me
