[Primeira Parte]

C G  
 Life's a tangled web  
 Am F  
 Of cell phone calls and hash tag I-don't-knows  
 C G  
 And you, you're so caught up  
 Am F  
 In all the blinking lights and dial tones

 Am F  
 But I've found my sweet escape when I'm alone with you

 Tune out the static sound of the city that never sleeps  
 Am F  
 Here in the moment on the dark side of the screen

[Refrão]

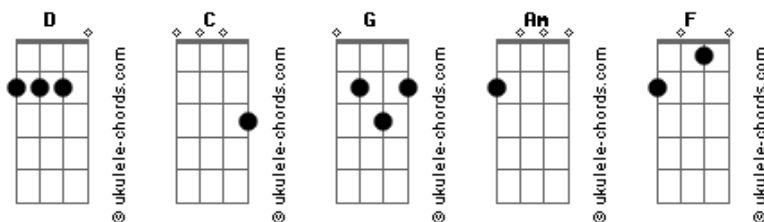

C  
 I like the summer rain  
 G  
 I like the sounds you make  
 Am  
 We put the world away  
 F  
 We get so disconnected  
 C  
 You are my getaway  
 G  
 You are my favourite place  
 Am  
 We put the world away  
 F  
 Yeah we're so disconnected  
 C G  
 Oh oh o-oh oh oh o-oh oh  
 G  
 We're so disconnected  
 Am F  
 Oh oh o-oh oh oh o-oh oh

( C )

[Segunda Parte]

C G  
 Hands around my waist  
 Am F  
 Climbing up the hills across the sheets  
 C G  
 And I'm a falling star  
 Am F
