(Introdução 7x)  
 You're like perfection, some kind of holiday  
 You got me thinking that we could run away  
 You know I'll take you there, you tell me where and when  
 Oh oh oh oh

But then I asked for your number  
 You said you don't have a phone  
 It's getting late now, I gotta let you know

(Ponte A 1x)  
 That everybody wants to take you home tonight  
 But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'

Everytime you move to the beat  
 It gets harder for me and you know it  
 Know it, know it

Don't stop 'cause you know that I like it

Everytime you walk in a room  
 You got all eyes on you

And you know it, know it, know it

(Intro 4x)  
 You're coming close now, swear I can taste it  
 You got me tongue tied, I can't escape it  
 I'm loving what you got, but then you push me off  
 Oh oh oh oh

(Ponte A 1x)  
 And everybody wants to take you home tonight  
 But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'

Everytime you move to the beat  
 It gets harder for me and you know it  
 Know it, know it

Don't stop 'cause you know that I like it

Everytime you walk in a room

You got all eyes on you

And you know it, know it, know it

Everyday it's the same love and games that you play

Back and forth, round and round

Kinda like it this way

Don't stop doin' what you're doin'

Everytime you move to the beat  
 It gets harder for me and you know it  
 Know it, know it

Don't stop 'cause you know that I like it

Everytime you walk in a room

You got all eyes on you

And you know it, know it, know it

Don't stop doin' what you're doin'

Everytime you move to the beat  
 It gets harder for me and you know it  
 Know it, know it

Don't stop 'cause you know that I like it  
 (Cause you know that, you know that I like it)

Everytime you walk in a room

You got all eyes on you

And you know it, know it, know it
