(Introdução 7x)
 You're like perfection, some kind of holiday
 You got me thinking that we could run away
 You know I'll take you there, you tell me where and when
 Oh oh oh oh

But then I asked for your number
 You said you don't have a phone
 It's getting late now, I gotta let you know

(Ponte A 1x)
 That everybody wants to take you home tonight
 But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'

Everytime you move to the beat
 It gets harder for me and you know it
 Know it, know it

Don't stop 'cause you know that I like it

Everytime you walk in a room

You got all eyes on you
 And you know it, know it, know it

(Intro 4x)
 You're coming close now, swear I can taste it
 You got me tongue tied, I can't escape it
 I'm loving what you got, but then you push me off
 Oh oh oh oh

(Ponte A 1x)
 And everybody wants to take you home tonight
 But I'm gonna find a way to make you mine

Don't stop doin' what you're doin'

Everytime you move to the beat
 It gets harder for me and you know it
 Know it, know it

Don't stop 'cause you know that I like it

Everytime you walk in a room

You got all eyes on you
 And you know it, know it, know it

Everyday it's the same love and games that you play

Back and forth, round and round

Kinda like it this way

Don't stop doin' what you're doin'

Everytime you move to the beat
 It gets harder for me and you know it
 Know it, know it

Don't stop 'cause you know that I like it

Everytime you walk in a room

You got all eyes on you
 And you know it, know it, know it

Don't stop doin' what you're doin'

Everytime you move to the beat
 It gets harder for me and you know it
 Know it, know it

Don't stop 'cause you know that I like it
 (Cause you know that, you know that I like it)

Everytime you walk in a room

You got all eyes on you
 And you know it, know it, know it
