

# 5 Seconds Of Summer - Fly Away

Tom: D

(com acordes na forma de Capostrate na 2ª casa C )

Counting down the seconds

Jumping off these fences

Finding our new place to start again

Cracks in the sidewalk

I'm over all the small talk

Taking off like fire in the wind

I won't waste another day

Wishing this would fade away

Running and we're never looking back

I want a little bit of California

With a little bit of London sky

I wanna take my heart to the end of the world

Fly away tonight

I want a little bit of open ocean

With a New York state of mind

I wanna take my heart to the end of the world

Fly away, fly away tonight

A never ending replay

Memories I can't erase

I see the best of times in front of me

Now I'm off to paradise

Swore I'll never fight

Say goodbye to pain and misery

I won't waste another day

Wishing this would fade away

Running and we're never looking back

I want a little bit of California

With a little bit of London sky

I wanna take my heart to the end of the world

Fly away tonight

I want a little bit of open ocean

With a New York state of mind

I wanna take my heart to the end of the world

Fly away, fly away tonight

I won't waste another day

Wishing this would fade away

I won't waste another day

Wishing this would fade away

Counting down the seconds

Only second guessing

Dreaming of a place to start again

I want a little bit of California

With a little bit of London sky

I wanna take my heart to the end of the world

Fly away tonight

I want a little bit of open ocean

With a New York state of mind

I wanna take my heart to the end of the world

Fly away, fly away tonight
