

5 Seconds Of Summer - Gotta Get Out

Tom: A

(com acordes na forma de Capostraste na 2ª casa G)

(use a tab)
 even when the sky is falling down
 even when the earth is crumbling around my feet
 even when we try to say goodbye
 you can cut the tension with a knife in here

^C
 cause i know what will happen
^D
 if we get through this

^G and if the earth ends up crumbling down to its knees baby
^{Em7} we just gotta get out, we just gotta get out
^G and if the skyscrapers tumble down and crash around then
 baby
^{Em7} we just gotta get out, we just gotta get out

(use a tab)
 cause i feel so damn lost
 and it comes with a cost

^C of being alone
^C everything is falling down we're suffering hopeless thought
^C and out we sing prayers go to the sky

^G ^C

and if the earth ends up crumbling down to its knees baby
^{Em7} we just gotta get out, we just gotta get out

^G and if the skyscrapers tumble down and crash around then
 baby
^{Em7} we just gotta get out, we just gotta get out

ponte:

^D and if we fall it's not your fault
^D shadows covering our selfish foes
^D and as our love go out in a high note

(use a tab)
 even when the sky is falling down
 even when the earth is crumbling around my feet

^C
 around my feet

^G and if the earth ends up crumbling down to its knees baby
^{Em7} we just gotta get out, we just gotta get out

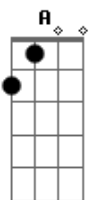

^G and if the skyscrapers tumble down and crash around then
 baby
^{Em7} we just gotta get out, we just gotta get out

We just gotta get out
^{Em7} We just gotta get out, we just gotta get out
