

# 5 Seconds Of Summer - Gotta Get Out

Tom: A

(com acordes na forma de G )  
Capostrate na 2ª casa

(use a tab)  
even when the sky is falling down  
even when the earth is crumbling around my feet  
even when we try to say goodbye  
you can cut the tension with a knife in here

<sup>C</sup>  
cause i know what will happen  
<sup>D</sup>  
if we get through this

<sup>G</sup> and if the earth ends up crumbling down to its knees baby  
<sup>Em7</sup> we just gotta get out, we just gotta get out  
<sup>G</sup> and if the skyscrapers tumble down and crash around then  
baby  
<sup>Em7</sup> we just gotta get out, we just gotta get out

(use a tab)

cause i feel so damn lost  
and it comes with a cost  
of being alone  
everything is falling down we're suffering hopeless thought  
and out we sing prayers go to the sky  
<sup>G</sup>

and if the earth ends up crumbling down to its knees baby  
<sup>Em7</sup> we just gotta get out, we just gotta get out  
<sup>G</sup>

and if the skyscrapers tumble down and crash around then  
baby  
<sup>Em7</sup> we just gotta get out, we just gotta get out

ponte:

<sup>D</sup> and if we fall it's not your fault  
<sup>D</sup> shadows covering our selfish foes  
<sup>D</sup> and as our love go out in a high note

(use a tab)  
even when the sky is falling down  
even when the earth is crumbling around my feet

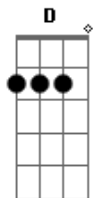

<sup>C</sup>  
around my feet

<sup>G</sup> and if the earth ends up crumbling down to its knees baby  
<sup>Em7</sup> we just gotta get out, we just gotta get out  
<sup>G</sup>

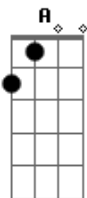

and if the skyscrapers tumble down and crash around then  
baby  
<sup>Em7</sup> we just gotta get out, we just gotta get out

We just gotta get out  
<sup>Em7</sup> We just gotta get out, we just gotta get out
