

5 Seconds Of Summer - Heartbreak Girl

Tom: Bb

(com acordes na forma de Capostraste na 3ª casa Riff: G)

You call me up,
 It's like a broken record
 Saying that your heart hurts
 That you never get over him getting over you,
 And you end up crying
 And I end up lying,
 'Cause I'm just a sucker for anything that you do,

And when the phone call finally ends,
 You say, "Thanks for being a friend,"
 And we're going in circles again and again

I dedicate this song to you,
 The one who never sees the truth,
 That I can take away your hurt, heartbreak girl.
 Hold you tight straight through the day light,
 I'm right here When you gonna realise
 That I'm your cure, heartbreak girl?

I bite my tongue but I wanna scream out
 You could be with me now
 But I end up telling you what you wanna hear,

But you're not ready and it's so frustrating
 He treats you so bad and I'm so good to you it's not fair.

And when the phone call finally ends
 You say, "I'll call you tomorrow at 10,"
 And I'm stuck in the friend zone again and again,

I dedicate this song to you,
 The one who never sees the truth,
 That I can take away your hurt, heartbreak girl.
 Hold you tight straight through the day light,
 I'm right here When you gonna realise
 That I'm your cure, heartbreak girl?

I know someday it's gonna happen
 And you'll finally forget the day you met him
 Sometimes you're so close to your confession,
 I gotta get it through your head
 That you belong with me instead,

I dedicate this song to you,
 The one who never sees the truth,
 That I can take away your hurt, heartbreak girl.
 Hold you tight straight through the day light,
 I'm right here When you gonna realise
 That I'm your cure, heartbreak girl?
