

5 Seconds Of Summer - If Walls Could Talk

Tom: E

m [Intro] Em C Am

Some things are meant to be secret and not to be heard

So if I tell you, just keep it and don't say a word

Yeah, when the doors are all closing, it's bound to get loud

'Cause all these bodies are hoping to get addicted to sound

Oh, not everything is so primitive

Oh, but I'm giving it

If these walls could talk, I'd hope they wouldn't say anything

Because they've seen way too many things

'Cause we'd fall from grace, we're falling

Yeah, we'd fall from grace

If these walls could talk, I'd hope they wouldn't say anything

Because they've seen way too many things

'Cause we'd fall from grace, we're falling

Yeah, we'd fall from grace

If these walls could talk

If these walls could talk

If these walls could talk

I'd love to marry your face

I wouldn't dare let you down

Don't let that glass go to waste

Oh, you're a queen but uncrowned

Oh, not everything is so primitive

Oh, but I'm giving it

If these walls could talk, I'd hope they wouldn't say anything

Because they've seen way too many things

'Cause we'd fall from grace, we're falling

Yeah, we'd fall from grace

If these walls could talk

If these walls could talk

If these walls could talk

Some things are meant to be secret and not to be heard

So if I tell you, just keep it and don't say a word

Yeah, when the doors are all closing, it's bound to get loud

'Cause all these bodies are hoping to get addicted to sound

If these walls could talk, I'd hope they wouldn't say anything

Because they've seen way too many things

'Cause we'd fall from grace, we're falling

Yeah, we'd fall from grace

If these walls could talk

If these walls could talk

If these walls could talk
