

# 5 Seconds Of Summer - Jet Black Heart

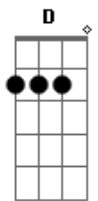

Tom: D

Intro:

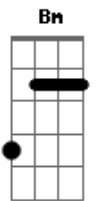

**Bm**  
Everybody's got their demons  
Even wide awake or dreaming **G**  
I'm the one who ends up leaving **Bm**  
**Gbm G**  
Make it okay  
**Bm**  
See a war I wanna fight it  
**G**  
See a match I wanna strike it  
Every fire I've ignited **Bm**  
**Gbm G**  
Fade into grey  
**Bm**  
But now that I'm broken  
**G**  
Now that you know it  
**Bm**  
Caught up in a moment  
**Gbm G**  
Can you see inside?  
**A Bm G**  
Cause I've got a jet black heart  
And there's a hurricane underneath it **A**  
**Bm G**  
Trying to keep us apart  
**A Bm**  
I write with a poison pen  
But these chemicals moving between us **A**  
**Bm**  
Are the reasons to start again  
trocar abafado  
**Bm**  
Now I'm holding on for dear life  
There's no way that we could rewind **G**  
**Bm**

Maybe there's nothing after midnight  
**Gbm G**  
That could make you stay  
But now that I'm broken **Bm**  
**G**  
And now that you know it  
**Bm**  
Caught up in a moment  
**Gbm G**  
Can you see inside?  
**A Bm G**  
Cause I've got a jet black heart  
And there's a hurricane underneath it **A**  
**Bm G**  
Trying to keep us apart  
**A Bm G**  
I write with a poison pen  
But these chemicals moving between us **A**  
**Bm G**  
Are the reasons to start again  
( D D )(4x)  
**D Bm**  
The blood in my veins  
**Gbm**  
Is made up of mistakes  
**G**  
Let's forget who we are  
**D**  
And dive into the dark  
**Bm G**  
As we burst into colors **D**  
We turn into life  
**A Bm**  
Cause I've got a jet black heart  
And there's a hurricane underneath it **A**  
**Bm G**  
Trying to keep us apart  
**A Bm G**  
I write with a poison pen  
But these chemicals moving between us **A**  
**Bm G**  
Are the reasons to start again
