Tom: D

Intro:

Bm
Everybody's got their demons
Even wide awake or dreaming **G**
I'm the one who ends up leaving **Bm**
Make it okay **Gbm G**
See a war I wanna fight it **Bm**
See a match I wanna strike it **G**
Every fire I've ignited **Bm**
Fade into grey **Gbm G**
But now that I'm broken **Bm**
Now that you know it **G**
Caught up in a moment **Bm**
Can you see inside? **Gbm G**
Cause I've got a jet black heart **A Bm G**
And there's a hurricane underneath it **A**
Trying to keep us apart **Bm G**
I write with a poison pen **A**
But these chemicals moving between us **Bm**
Are the reasons to start again **A**
trocar abafado

Bm
Now I'm holding on for dear life **G**
There's no way that we could rewind **Bm**

Maybe there's nothing after midnight
That could make you stay **Gbm G**
But now that I'm broken **Bm**
And now that you know it **G**
Caught up in a moment **Bm**
Can you see inside? **Gbm G**
Cause I've got a jet black heart **A Bm G**
And there's a hurricane underneath it **A**
Trying to keep us apart **Bm G**
I write with a poison pen **A**
But these chemicals moving between us **Bm G**
Are the reasons to start again **A**
(D D)(4x)

D Bm
The blood in my veins **Gbm**
Is made up of mistakes **G**
Let's forget who we are **D**
And dive into the dark **Bm G**
As we burst into colors **D**
We turn into life **A Bm**
Cause I've got a jet black heart **A**
And there's a hurricane underneath it **Bm G**
Trying to keep us apart **A Bm G**
I write with a poison pen **A**
But these chemicals moving between us **Bm G**
Are the reasons to start again
