

5 Seconds Of Summer - Kill My Time

tom:

G

Wildflower, fingertips on me
A7 I can feel them still
F Stained hearts trying to find a home
A7 Looking for something real

F
 I said meet me downtown at the dive bar
G You're the only one that makes me feel alive
A7 I can't keep drowning in the shadows
Em7 Here I am lay it all on the line
F Meet me downtown at the dive bar
G You're the only one that makes me feel alive
A7 I can't keep drowning in the shadows
Em7 Here I am lay it all on the line
F Meet me downtown at the dive bar
G You're the only one that makes me feel alive
A7 I can't keep drowning in the shadows
Em7 You're the only one that matters

F **G**
 I don't wanna kill my time with somebody else
A7 Dancing in the dark till the sun comes
Em7 Tangled in the sheets till the day's done
F **G**
 I don't wanna kill my time with somebody else
A7 In a city full of lonely people i just
Em7 Want you all for myself

F
 He's only got half of your heart
G 'Cause I've got the other part
A7 Why don't you say goodbye now?
F Take you on a desert drive
G We can leave it all tonight
A7

Why don't you say goodbye now?

F
