

# 5 Seconds Of Summer - Lie To Me

Tom: C

I saw you looking brand new overnight  
 And I caught you looking too, but you didn't look twice  
 You look happy, oh  
 You look happy, oh

Flashing back to New York City  
 Changing flights so you stay with me  
 Remember thinking that I got this right

Now I wish we never met  
 Cause you're too hard to forget  
 Now I'm cleaning up your mess  
 I know he's taking off your dress  
 I know that you don't, but if I ask you if you love me  
 I hope you lie, lie, lie  
 Lie to me

Sitting under the moonlight, it's just you and me

If I make it to dawn then it won't be hard to sleep  
 I ain't happy, oh  
 At least you're happy, woah

Flashing back to New York City  
 Changing flights so you stay with me  
 How I must have thought I had this right

Now I wish we never met  
 Cause you're too hard to forget  
 While I'm cleaning up your mess  
 I know he's taking off your dress  
 I know that you don't, but if I ask you if you love me  
 I hope you lie, lie, lie  
 Lie to me

Singing, la la la la la la la la la  
 La la la la la la la la la la  
 And I know that you don't, but if I ask you if you love me  
 I hope you lie, lie, lie, lie
