

5 Seconds Of Summer - Lost Boy

Tom: C

I can't remember the last time I saw your face
 I feel so lonely when I'm in a the crowded space
 You left me without direction

'Cause I've been from place to place
 Trying to bring you back
 I've walked for days and days
 'Cause I can't face the fact
 That nothing is better than you

I'm coming because I need to find you
 Is anybody there who can rescue
 Somebody like me?
 'Cause I'm just waiting
 For somebody like you
 Somebody like you

Without you I'm a lost boy
 Without you I'm a lost boy
 Come find me I'm a lost boy
 'Cause without you I'm a lost boy

I can't remember the last time I heard your voice
 I'm sat in silence living in a world of noise
 'Cause you were perfection

'Cause I've been from place to place
 Trying to bring you back
 I've walked for days and days
 'Cause I can't face the fact
 That nothing is better that you

I'm coming because I need to find you
 Is anybody there who can rescue

Somebody like me?
 'Cause I'm just waiting
 For somebody like you
 Somebody like you

Without you I'm a lost boy
 Without you I'm a lost boy
 Come find me I'm a lost boy
 'Cause without you I'm a lost boy

I can't remember the last time I heard your voice
 I'm sat in silence living in a world of noise
 'Cause you were perfection

'Cause I've been from place to place
 Trying to bring you back
 I've walked for days and days
 'Cause I can't face the fact
 That nothing is better that you

I'm coming because I need to find you

Somebody like me?
 'Cause I'm just waiting
 For somebody like you
 Somebody like you
