

5 Seconds Of Summer - More

Tom:

Intro: Bm E Bm E

If me and you are living in the same place
 Why do we feel alone? Feel alone?
 A house that's full of everything we wanted
 But it's an empty home, empty home
 Why can't we choose our emotion?
 'Cause we could feel something's broken
 And I can't stay without hoping
 We'll never be alone, we'll never be alone, oh

And all the things that we dream about
 they don't mean what they did before

I just wanna get back to us
 'Cause we used to have more

Why does it feel like we're missing out?
 Like I'm standing behind the door

I just wanna get back to us
 'Cause we used to have more

(Bm E Bm E)

'Cause lately we've been living in different nations

Enemy lines are drawn, lines are drawn

We're speaking different tongues communicating

Right through the bedroom wall, bedroom wall

And as we fall, time is frozen

I know we break, but we're not broken

'Cause I can't stay without hoping

We'll never be alone, we'll never be alone, oh

And all the things that we dream about

They don't mean what they did before

I just wanna get back to us

'Cause we used to have more

Why does it feel like we're missing out?

Like I'm standing behind the door

I just wanna get back to us

'Cause we used to have more

(Bm E Bm E)

And all the things that we dream about

They don't mean what they did before

I just wanna get back to us

'Cause we used to have more

Why does it feel like we're missing out?

Like I'm standing behind the door

I just wanna get back to us

'Cause we used to have more

(G Bm D G A)
