

5 Seconds Of Summer - Moving Along

Tom: D

^{Em} Is it bad that I'm ^Ahoping that you're broken?
^D Is it bad that i'm ^Awishing you were broken?
^{Em} That you haven't found fish in the ocean
^D Is it bad? it's so bad
^{Em} Is it weird that i'm ^Adrinking on my sofa?
^D Is it weird that i'm ^Athinking on my sofa?
^{Em} All alone, damn, I wish I didn't know ya
^D Is it weird? it's so weird

^{Em} I know i'm still the one who ^Aends it, ay
^D And i'm still the one who ^Gcuts a nerve
^{Em} Send me a couple drinks till I'm there
^D You know i'm still the one

^{Em} Been thinking about you ^Alots, lately
^D Have you been eating ^Gbreakfast alone like me
^{Em} Thinking about you ^Alots, lately
^D Are you moving along?

^{Em} Been thinking about you ^Alots, lately
^D Have you been filling empty beds just like me
^{Em} I've been thinking about you ^Alots, lately
^D Are you moving along?

^{Em} Is it wrong if I ask to see your number?
^D Is it wrong if i tell you that I love ya?
^{Em} Even though I never do it when i'm sober
^D

Is it wrong?

^{Em} I know i'm still the one who ^Aends it, ay
^D And i'm still the one who ^Gcuts a nerve
^{Em} Send me a couple drinks till I'm there
^D You know i'm still the one

^{Em} Been thinking about you ^Alots, lately
^D Have you been eating ^Gbreakfast alone like me
^{Em} Thinking about you ^Alots, lately
^D Are you moving along?

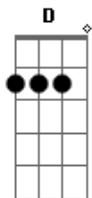

^{Em} Been thinking about you ^Alots, lately
^D Have you been filling empty beds just like me
^{Em} I've been thinking about you ^Alots, lately
^D Are you moving along?

^G Instead of moving on, we'll try again
^G So if you're moving on, won't you just ^{Bm}tell me
^G Scared of moving on, cause you're already gone
^G So if you're moving on, won't you just ^{Bm}tell me

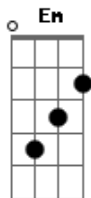

^{Em} Been thinking about you ^Alots, lately
^D Have you been eating ^Gbreakfast alone like me
^{Em} Thinking about you ^Alots, lately
^D Are you moving along?

^{Em} Been thinking about you ^Alots, lately
^D Have you been filling empty beds just like me
^{Em} I've been thinking about you ^Alots, lately
^D Are you moving along?
