

5 Seconds Of Summer - Over And Over

Tom: B

B
 You know something I don't **Gb**
 It's not like you to be cold **Abm**
 Every night replayed over and over. **E**
B You say things that I don't **Gb**
 You make me feel alone **Abm**
 Every night replayed over and over. **E**

E
 You say it's no concern
 And everything's alright. **B**
E Sometimes we all get burnt
 And then we try to hide. **B**
E And I know and I know and I know and I know we're wrong
 We should have let things slide. **B**

Abm Cause when the night gets dark **E**
 And there's no way back **B**
 I'll call your name but it's fading **Gb**
 We're fading.

B You know something I don't **Gb**
 It's not like you to be cold **Abm**
 Every night replayed over and over. **E**
B You say things that I don't **Gb**
 You make me feel alone **Abm**
 Every night replayed over and over. **E**

E So many times you say
 You're staying out tonight. **B**
E I wish that I could just walk away

B
 But I won't leave you behind.
Abm Cause when the night gets dark **E**
 And there's no way back **B**
 I'll call your name but it's fading **Gb**
 We're fading. **Gb**

B You know something I don't **Gb**
 It's not like you to be cold **Abm**
 Every night replayed over and over. **E**
B You say things that I don't **Gb**
 You make me feel alone **Abm**
 Every night replayed over and over. **E**
Gb Well I won't look back no more **B**
 Just like I did before **Abm**

Always thinking that it's gonna be alright. **E**
Gb And I'm gonna start again **B**
 This time I won't pretend **Abm**
 That you're coming back into my life. **E**

B You know something I don't **Gb**
 It's not like you to be cold **Abm**
 Every night replayed over and over. **E**
B You know something I don't **Gb**
 It's not like you to be cold **Abm**
 Every night replayed over and over. **E**
