Red, red desert, heal our blues
Bm A E
I'd dive deeper for you

I've been asleep so long, wasting away

Tell me, would you pack up all your bags, stay true to North?

You're the only one I'd do this for

Red, red desert, heal our blues
Bm A E
I'd dive deeper for you
Bm A E
What a blessing to feel your love
Bm A E
Twilight moments with you
