

# 5 Seconds Of Summer - Safety Pin

Tom: E

E A  
Runaways, we're the long lost children  
Dbm B  
Running to the edge of the world  
E A  
Everybody wants to throw us away  
Dbm B  
Broken boy meets broken girl  
E A  
You said you tried it all before  
Dbm B  
And it only makes it worse  
Dbm A  
Oh but this time, maybe this time  
A  
Two wrongs makes a right

E B Dbm A  
We'll safety pin, the pieces of our broken hearts back together  
E B Dbm A  
Patching up all the holes until we both feel much better  
E B Dbm A  
Deleted things are really dead, so now I'll say the things I never said  
E B Dbm A  
We'll safety pin, the pieces of our broken hearts back together

E A  
Throwing rocks at your broken window  
Dbm B  
Only you can cure my sickness  
E A  
Raise ourselves to the middle finger  
Dbm B  
Cause they all think we're twisted  
E A  
Once I got a little taste  
Dbm B  
Now I'm addicted to your fix  
Dbm A  
Oh yeah this time, maybe this time  
A  
Two wrongs make it right

E B Dbm A

We'll safety pin, the pieces of our broken hearts back together  
E B Dbm A  
Patching up all the holes until we both feel much better  
E B Dbm A  
Deleted things are really dead, so now I'll say the things I never said  
E B Dbm A  
We'll safety pin, the pieces of our broken hearts back together

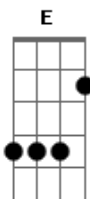

( E B Dbm A )

Dbm A E B

No more waiting, we can save us from falling
