[1ª Parte]

Am G  
I don't feel your love  
F7M Dm

The words, they are too much  
F7M Dm  
When? you show me? my reflection

[Pré Refrão]

Am G  
When the sun goes down, we all get lonely  
F7M Dm  
Watch me as I disappear  
Am G  
These empty sounds and endless stories  
F7M Dm  
So tell me what I wanna hear (Thin white lies)

[Refrão]

Am G  
Killin' me slowly with the words you wrote  
F7M Dm  
The heart you broke, that you broke, yeah  
Am G  
Callin' my name, I don't wanna stay  
F7M Dm  
But I'm wide awake, I'm wide awake (Thin white lies)  
Am G F7M Dm  
Just one more taste of you, my love (Thin white lies)  
Am G

F7M Dm  
The heart you broke, that you broke, yeah
