tom:

Intro: Am G F Dm
Am G F Dm

[1ª Parte]

Am G
I don't feel your love

The words, they are too much

When you show me my reflection

[Pré Refrão]

Am G
When the sun goes down, we all get lonely
F Dm
Watch me as I disappear
Am G
These empty sounds and endless stories
F Dm
So tell me what I wanna hear (Thin white lies)

[Refrão]

Am G
Killin' me slowly with the words you wrote
F Dm
The heart you broke, that you broke, yeah
Am G
Callin' my name, I don't wanna stay
F Dm
But I'm wide awake, I'm wide awake (Thin white lies)
Am G F Dm
Just one more taste of you, my love (Thin white lies)
Am G
Killin' me slowly with the words you wrote
F Dm
The heart you broke, that you broke, yeah

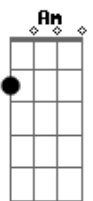

[2ª Parte]

Am G
You never call me out
F Dm
You know exactly where I'm goin'
