Wildflower

[Primeira Parte]

Db

I hear you callin' up my name

B

I love the sound, I love the taste

Db

And I?can?see it in?your face

B

You've got a side you?can't explain

[Pré-Refrão]

Db

You're tellin' me, you're tellin' me, you're tellin' me you
wanna come over

B

You wanna be, you wanna?be, you wanna be, you wanna be closer

Db

I love it when you wear your hair down over your shoulder

B

'Cause I wanna hold ya

'Cause I know where tonight is going

[Refrão]

Db

You're the only one who makes me

B

Every time we

I'll tell you what I like

My wildflower

Db

You're the only one who makes me

B

A fatal love, so, waterfall is overflowin'

Db

You're the only one who makes me

B

Every time we

I'll tell you what I like

My wildflower

Db

You know you are my favorite fantasy

B

A fatal love, so, waterfall is overflowin'

Db

You're the only one who makes me

B

Every time we

I'll tell you what I like

My wildflower

[Segunda Parte]

Db

I see the color in your face

B

It makes me smile, it makes me shake (0oh)

Db

I see the shadow in my brain

B

And I like its look, and I like its shape (0oh)

[Pré-Refrão]

Db

You're tellin' me, you're tellin' me

You're tellin' me you wanna come over
