

A Day To Remember - Better Off This Way

Tom: G

Em I wonder if you'll notice, if they lock me up and throw away
the key
Em **G** **D**
Gotta be open minded, you've got a lot to learn in the ways of
me
Em
You've always got to say something,
G **D**
I'm none of your concern but you won't listen at all
Em **G**
You know i'd rather say nothing, and just be proud of myself
D
I'm tearing down these walls.

C **G** **D**
When you fall I'll be the only one who looks away
C **G** **D**
When you call I'll be the first to tell you I can't stay
C **G** **D** **C**
It's all over, I've found a better way to help keep you from
me
D
I'm better off this way
C **G** **D**
Wo-oh, wo-oh
D
I'm better off this way
C **G** **D**
Wo-oh, wo-oh

Em **G**
You gotta keep this coming, tell me like you know it but you
don't know
Em
nothing , your call.

D
We can settle this like gentlemen, or meet me at the back to
end it all
inside again.
Em **G**
My whole life's been waiting, ever since I can remember
D **Em**
Been anxious awaiting your fall, and don't let me be a long
while
G **D** **C**
Can't let go of my life till I know you're done.

C **G** **D**

When you fall I'll be the only one who looks away
