

# A Day To Remember - Better Off This Way

Tom: G

**Em** I wonder if you'll notice, if they lock me up and throw away  
the key  
**Em** **G** **D**  
Gotta be open minded, you've got a lot to learn in the ways of  
me  
**Em**  
You've always got to say something,  
**G** **D**  
I'm none of your concern but you won't listen at all  
**Em** **G**  
You know i'd rather say nothing, and just be proud of myself  
**D**  
I'm tearing down these walls.

**C** **G** **D**  
When you fall I'll be the only one who looks away  
**C** **G** **D**  
When you call I'll be the first to tell you I can't stay  
**C** **G** **D** **C**  
It's all over, I've found a better way to help keep you from  
me  
**D**  
I'm better off this way  
**C** **G** **D**  
Wo-oh, wo-oh  
**D**  
I'm better off this way  
**C** **G** **D**  
Wo-oh, wo-oh

**Em** **G**  
You gotta keep this coming, tell me like you know it but you  
don't know  
**Em**  
nothing , your call.

**D**  
We can settle this like gentlemen, or meet me at the back to  
end it all  
inside again.  
**Em** **G**  
My whole life's been waiting, ever since I can remember  
**D** **Em**  
Been anxious awaiting your fall, and don't let me be a long  
while  
**G** **D** **C**  
Can't let go of my life till I know you're done.

**C** **G** **D**

When you fall I'll be the only one who looks away  
**C** **G** **D**  
When you call I'll be the first to tell you I can't stay  
**C** **G** **D** **C** **D**  
It's all over, I've found a better way to help keep you from  
me  
**D**  
I'm better off this way  
**C** **G** **D**  
Wo-oh, wo-oh  
**D**  
I'm better off this way  
**C** **G** **D**  
Wo-oh, wo-oh

**C** **G**  
You Want It, You've got It  
**D** **D**  
You've always been such a waste of time  
**C** **G**  
You Want It, You've got It  
**D** **D** **D**  
A friend of your's is no friend of mine  
**C** **G**  
You Want It, You've got It  
**D** **D**  
When will you act your age  
**C** **G**  
You Want It, You've got It  
**D** **D**  
You're the reason things have to change

**C** **G** **D**  
**D** Wo-oh, wo-oh  
**D**  
You're the reason things have to change  
**C** **G** **D**  
Wo-oh, wo-oh

**C** **G** **D**  
When you fall I'll be the only one who looks away  
**C** **G** **D**  
When you call I'll be the first to tell you I can't stay  
**C** **G** **D** **C** **D**  
It's all over, I've found a better way to help keep you from  
me  
**D**  
I'm better off this way  
**C** **G** **D**  
Wo-oh, wo-oh  
**D**  
I'm better off this way
