

A Day To Remember - This Is The House That Doubt Built

Tom: D
Intro: Bm Em G Bbm

Don't get me started on what it means to be alive
You're lying to yourself and then
Still you act surprised
Cause you're scared
Can't come to terms with what you are
The wolf in sheep's clothing will only lead you so far

You'll wait and they'll go
Cause in the end, we all end up alone
So just wait, you'll know

Forget everything
Just for tonight we'll sing like everyone when they're alone
Cause i've been waiting for tonight
To sing whoa, whoa!

(Bm Bbm)

I rely on myself
Just making sure that was clear
I'm not in need of your crutches.
I've faced all my fears
And i won what i knew i could have
Life is not a punch card; make the best of what you have

But don't wait, just go,
And when you find yourself,
Please let me know.
It's not too late, just let go

Forget everything
Just for tonight we'll sing like everyone when they're alone
Cause i've been waiting for tonight
To sing whoa, whoa!

Let's believe that if we all stand together,
We're a force that can shake the whole world
For once i'm doing something right,
When we sing whoa! whoa!

In the end it's not about what you have,
In the end it's all about where you wanna go
And the roads you take to help you get there
I hope you think that's fair
Cause you only got one life to lead,
So don't take for granted those little things
Those little things are all that we have

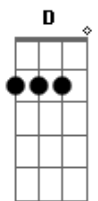

Forget everything
Just for tonight we'll sing like everyone when they're alone
Cause i've been waiting for tonight
To sing whoa, whoa!

Let's believe that if we all stand together,
We're a force that can shake the whole world
For once i'm doing something right,
When we sing whoa! whoa!

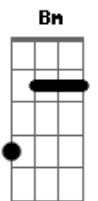

(woah, woah,)

Everything, everything
Cause i've been waiting for tonight
To sing whoa! whoa!
