[Verso 1]

There's something missing.  
There's an anger livin half the world away.  
I hope you listen for a person with perspective.  
That isn't always the same.

No need to water it down right now.  
You play the victim, but it's all a charade.  
Times they, they are a changin',  
Get your things in order, or get out the way.

[Pre-chorus]

And it goes on and on and on.

[Refrão]

Turn off the radio  
Till they've got something real to say.  
Turn off the radio  
To clear my mind and let me think.  
I need an answer, I've got the questions.  
Can't anyone out there just relate?  
Turn off the radio

[Verso 2]

There's a division in our culture  
That we live with every day.  
We're just people eating people.  
Such a sick sad world we live in today.

Em C

All I know's I wanna be  
Everything expected of me.  
So everyone we can agree  
Somebody out there understands me.

[Pré-Refrão]

And it goes on and on and on.

[Refrão]

Someone out there if you're listening,  
We're the victims of our indifference.  
Tell us more without controlling,  
What we think with what you're showing.
